Re: Notification of Contractor Name Change,  
The Public Warehousing Company, K.S.C.

Dear Linda,

I am the General Counsel, Government Contracts for PWC Logistics and all subsidiary entities, including, but not limited to, PWC Logistics Services. I have reviewed the attached Articles of Association, in conjunction with local counsel.

The incorporation was performed consistent with the laws of the State of Kuwait. Attached are both the original Arabic and the Legally Certified Translation of the Articles of Association for your records. The original document will be forwarded this day to your attention via DHL carrier.

Please feel free to call or write me should any questions arise related to the requested change of name.

Sincerely,
